

SOCIAL REPORT 2020

- **KEDHF:** Providing daily services to 21 disabled people, monthly .
On a daily basis we serve 21 beneficiaries of KEDIF and other people outside KEDIF who attend a personalized program and receive various services such as physical therapy, occupational therapy, psychological support – training programs and at the same time participate in various groups of recreational and sports activities.
In total, 26 people have been services so far.

- **Keada :** at the Center for autonomous living education in 2020, 6 programs – groups of trainings (15 people) were implemented.
 - and 8 individual autonomous Living Education Programs (8 people)
 - There were 23 guests in total.
 - Cooperation with the smile of the child for the participation of a beneficiary in the autonomous living education program at Keada.
 - Cooperation with the social service of the hospital for hospitality and participation in the autonomous living education program at Keada.

- **Exercise in the water:** from the beginning of June, meetings were held – visits with the officials of the municipality but also with individuals of the beachside shops for the correct installation of corridors and toilets for disabled people and as soon as they were ready, the program "exercising in the water at sea". It was attended by 20 beneficiaries of the KEDIF Center for the autonomous living of Disabled people of The PERPATO Association but also beneficiaries of the Association who attended the program in the winter months at the swimming pool. The program was implemented by the responsible Physical Education Teachers George Trikas and Chrisi Vouzoukidou on a weekly basis, three times a week. Due to the increased demand in the program, the occupational therapist and physiotherapists of the Center participated as support staff. The exercise program included various upper and lower limb strengthening exercises and the nurse of the association assisted in transport and in clothing after training. This action will continue until the first week of September. A total of 33 people participated in the ASN program.

- Volunteer trainings: in 2020 we organized 10 volunteer trainings and trained 50 volunteers. Due to the pandemic, the trainings took place in smaller groups or on an individual level.
